Hello my name is Jagtar Pawar. I shop at Linda Rosa Market, and they have told me that they are trying to upgrade their liquor license. I have asked them many times about Indian Liquor many times, and they finally said that they're in the process of trying to get their license. Many of my friends also shop there and were thrilled to hear the news. We would all really appreciate it if you would approve their license. Thank you for taking your time to read this email.
