(Attn: Pam Thyret)

Dear Board of Zoning Appeals,

I strongly object to propose car wash there is one not too far away which has created long lines. This would impact this private residential street severely. This area is very family oriented with children dogs joggers bikers etc. We don't want to be the victims of more traffic just to service a retail business. I again strongly out and out reject the proposed car wash and if the city would please consider a more acceptable use for that parcel of land. Abandoned approving all permits for the car wash.

Thank You,

Patricia Dyer
