Dear Pasadena Board of Zoning Appeals, As a neighbor who lives on Berkeley Avenue near the proposed Car Wash at 2030 E. Colorado, I must go on record that such a business will adversely impact our residential lives on both S. San Marino and S. Berkeley Avenues. We feel this redundant car wash needs to be rejected. Customers will use both our streets as feeders to the car wash and negatively impact our quality of life.

Also of concern to us is the proximity of the site to Hamilton Elementary School. As the parent of a Hamilton student, the thought of having all these extra cars hanging around an elementary school makes me nervous and quite uncomfortable. Please don't allow this to destroy the calm of our peaceful neighborhood and put pedestrians, children and pets at risk.

Please reconsider this unnecessary car wash. There is another one less than a mile away. Sincerely, Brandi Garris
