Dear Councilman Wilson,

Please forward this to the Board of Zoning Appeals before this Thursday night's meeting.

As a resident at 144 S Oak, I live just two blocks from the proposed car wash. Car washes are inherently noisy and do not belong adjacent to a residential area.

This part of Colorado Boulevard already has a preponderance of auto related businesses and few other amenities.

In addition, there is already a car wash roughly 8 blocks east from the proposed site on the corner of Sierra Madre Blvd and Colorado that causes no end of traffic congestion, as I'm sure you're aware.

We do not need yet another car wash in the neighborhood.

Here is a list of car washes *within two miles* of the proposed site:

- Fast Express - 2400 E Colorado
- Chevron - 1400 Colorado
- Franks - Walnut and Parkwood
- Walnut and Hill
- Shell - 2716 E Colorado
- Showroom Detail - Michigan and Colorado
- Fiesta - Lotus and Colorado
- Lucky - Rosemead and Colorado

We do not need the noise or the additional traffic.

Please vote no on this proposed project.

Thank you,
Nancy Merritt
