Attn: Pasadena Board of Zoning Appeals

I am strongly opposed to the proposed car wash at 2030 E. Colorado, I anticipate that such a business will adversely impact the families living on both San Marino and Berkeley Avenues, South of Colorado Blvd.

The car wash customers will very likely use both of these side streets to enter and exit the car wash and will have a profound negative impact on our quality of life. These streets are both relatively narrow and generally quiet. Thus, the proposed business plan needs to be rejected.

Please do not allow this plan to go forward.
