Hi Pam,

I hope it's not too late for our voice to be heard, but my husband and I strongly oppose the proposed car wash on Colorado and San Marino Ave (2030 E. Colorado). We're residents on Berkeley Ave between Del Mar and Colorado with a newborn baby and a dog. We frequently take walks around the block in this area and believe that the increase in cars (especially ones driving fast) would be incredibly unsafe for our family. There are already enough cars zooming down Berkeley Ave and adding a huge car wash would just make it even more dangerous for the neighborhood.

I know we're not the only ones with babies or kids here as I've seen kids running back and forth across the street. It's been a fairly family friendly neighborhood and I would hate for the car wash to ruin that.

Thank you for your time and I hope that my letter will make it in time for the appeals meeting.

Best,

Judy Tsai
