Dear Pasadena Board of Zoning Appeals,

As a neighbor to the proposed Car Wash at 2030 E. Colorado, I must go on record that such a business will adversely impact our residential the residential neighborhood, specifically on both S. San Marino and S. Berkeley Avenues and the area in general - ingress and egress on Colorado Blvd. Customers will use both these residential streets as feeders to the car wash as well as back up and block traffic on Colorado. This is not a good use for this site and will negatively impact our quality of life. Please don't allow this to happen!

Sincerely,

Eileen Williamson
