I urge the committee to select Jasmine Richards, Juliana Serrano, Florence Annang and Patrice Marshall McKenzie as their finalists for the oversight board. It is vital that the voices of women of color already deeply familiar with what needs to be done in Pasadena have their voices elevated and their insights respected and given institutional power.

Hello,

I am writing to submit a public comment in support of the following candidates for the Police Oversight Commission:

Florence Annang, NAACP
Juliana Serrano, All Saints Church
Patrice Marshall McKenzie, Alpha Kappa Alpha
Jasmine Richards, Black Lives Matter

It is important, now more than ever, that the oversight commission include people of color who represent communities disproportionately impacted by the criminal justice system. These women have a record of consistent work on police reform. I urge you to include them in the oversight commission.

Thank you,
Parker Abercrombie
