To Ed-Tech Committee members,

I am writing to express support for the budget amendment and loan agreements for the five ADU projects. It is wise to promote and facilitate Accessory Dwelling Units as one cost effective way to provide additional housing. The requirement of the city's Second Unit ADU Loan Pilot Program for the homeowner to rent exclusively to a Pasadena housing voucher tenant assures a path to meeting the goals of the Housing Department.

I would also ask you to consider thoroughly the recommendations put forth by Jill Shook and the Greater Pasadena Affordable Housing Group, all of which will strengthen the construction regulations for ADUs and help increase the city's housing stock.

Thank you
