It is so interesting to see the changes coming but I also hope we start paying attention to North Lake and Washington area. We have many shops on North Lake and Washington as well as many crimes.

There is an elementary school that moms drop their kids, a post office that businesses / residents go to, and shops that residents in the neighborhood go to for grocery and fast food. The Gas Station is attracting many drivers due to low cost of gas. This corner is really crowded and nobody is paying attention to it. Buses, trucks, drivers from all directions drive fast. We have had many shootings around this corner. We need safety and security. After all the residents of this area elected Victor for many years as their councilman. Now Victor is Mayor Gordo.

Best Regards,
