Yes, they are a small market that cannot afford to hire an attorney, but why should their right to have a liquor license be denied.

They are responsible business owners who work hard and deserve to win this appeal.

To whom it may concern,

I am writing to you, or the city of Pasadena, that you can't approve liquor license based on discrimination against small mom and pop store. It will be unfair business practice. Most of these small business already be running and operating in the neighborhood for a long time. By turning down the liquor license is like wiping out small business, that's the least we want to do.

Hello, I hope all is well! I am Martha and for the last couple of years, I have shopped at Linda Rose Market, 1827 East Villa Street and would like to see them expand their options. One great way would be to allow them to have a CUP license. It would allow people like me to have far greater options to buy from. I hope that you take the time to hear and think of the best choice. Thank you for your attention.

Good afternoon,
I'm Fernando and I have been shopping at Linda Rose Market,1827 East Villa Street for years now. I would love to see how they expand and grow. I also think it would be a good option for them to have their CUP license. I hope you consider what I mentioned and make the best choice and option. Thank you

Hello Ms Driver ;

I shop for my meats, and some international groceries at Linda Rosa Market , and heard that there was a hearing for a liquor license . This is a great store to buy meat, and spices . I think liquor will be a great addition to this location . The owners are also very nice, and run their business very well . Their service, and product selection is unique & fantastic . I would definitely purchase alcohol if it was available at this location .
