Re: 465-577 Arroyo Parkway

The Madison Heights Neighborhood Association is disappointed we didn't have a chance to prepare comments on this huge development before the design commission meeting tonight. The loss of 23 trees alone is a considerable issue, but traffic, overdevelopment, walkability and the lack of community comment are also critical factors. We hope the city and commission will find a way for the community to respond. Pasadena is a great city and our residents should be heard to help keep it that way.

Thank you,

John Latta
