Hello,

I am saddened by the proposal for the corner and entire block at California and Arroyo Parkway. I agree with Erika Foy's views. That intersection is already a mad house at almost all times of day, except late in the evening. I cannot imagine what would happen if that proposed development passed. I'm sure there is a way to develop that area that is more conducive for the area: set backs, trees, green areas, lower buildings... Thank you for your time.

Sincerely,

Shannon Williamson
