Dear Planning Commission,

I am the pastor of Holy Deliverance Pentecostal Church at 1141 Lincoln Avenue. Our property size is does not permit housing, but we want to support other churches on Lincoln Ave that have the space to for affordable housing on their property, if that is what God is calling to do. We are concerned that too many people struggle with the cost of housing. We would love for churches to provide this resource, but we understand that the zoning to allow for affordable housing can be a very expensive to change and take too much time. We ask that you provide the proper zoning this evening. Thank you.

Sincerely,

Pastor Grace DeCuir
