Hello Jennifer,

I am writing again in regards to the Modification of #6740 1253 East Colorado Blvd. I saw on the city website that it is now recommending approval for this and I am highly disappointed. Nothing really has changed for this request besides the hours. And honesty, the reduced hours is still unacceptable. As I stated before, I live on N Chester not even a block from this place. This is a residential area filled with families with young children. I have a young child. The hours that they are requesting is still much too late.

There is still no solution for the parking. The parking spaces that they are looking at is not enough for them to hold events. Where will all the cars go? They will be parking on our streets...which is already filled with cars. And the noise that we will be hearing at past midnight when people are leaving the events waking up sleeping children is not acceptable.

Again, I oppose this request and ask that it be disapproved.

Thank you for your time,  
Susan
