UPDATE ON THE DOT/PUSD SAFE ROUTES TO SCHOOL EDUCATION AND ENCOURAGEMENT PROGRAM

Transportation Advisory Commission

July 22, 2021

Background

Department of Transportation

- City of Pasadena and PUSD have historically collaborated on youth services and outreach such as PUSD's annual Walk to School Day every October.
- The City was awarded \$780,000 in ATP Grant Funds for consultant services to conduct a Safe Routes to School Education and Encouragement Program.
- A consultant team of Day One, ActiveSGV, and Alta Planning was selected in February 2019.
- The program will be implemented at 9 PUSD schools and cover school years 2019-20 and 2020-21.

COVID-19 Realignment

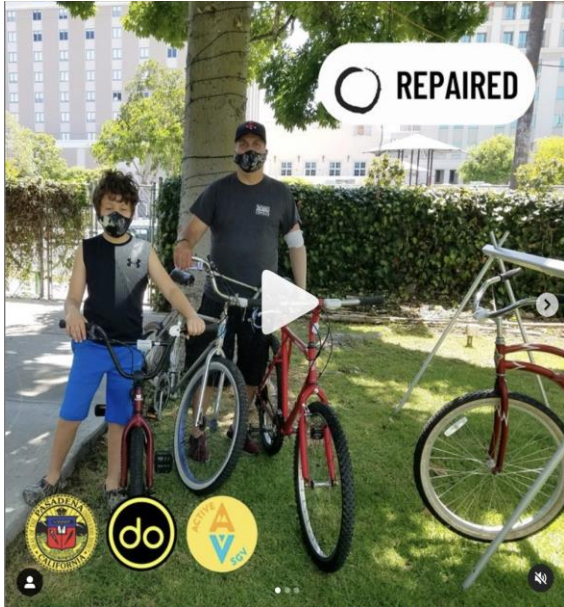

Department of Transportation

- PUSD schools went to full or partial distance learning starting spring 2020 through the end of spring 2021.
- Safe Routes to School activities transitioned to recorded safety videos, video calls with student groups, remote bike repair at Day One by appointment drop-off only.
- Transition back to on-campus programming for fall semester of 2021-2022 school year.

Safe Routes to School Pasadena

The Pasadena Safe Routes to School Program is working to make our streets safer for children and families to walk or bike to school.

Fall 2021 Programming

Department of Transportation

Return to in-person programming

Next Steps

Department of Transportation

- Programming was extended through fall 2021 semester from original end date of spring 2021.
- Education and safety materials produced by this program are designed to help PUSD staff continue safety education programming after the fall 2021 semester and beyond.
