Dear Ms. Landry,

Please add my voice to those expressing concern that the proposed redesign of 673 Colorado Ave, which currently houses the Playhouse 7 movie theaters, does not include any plans for any kind of movie theaters in the new building. The Playhouse 7 is one of only three movie theaters existing in Pasadena at the present time. It's weekly schedule of commercial films mixed with foreign and independent films represents a true cultural hub for Pasadena residents, especially for seniors.

As a disabled senior, the Playhouse 7 is the only place in Pasadena where I can see such fare. Please make the redesign of 673 Colorado include some movie theaters on the ground level. Perhaps not 7, but 4, would still allow this cultural necessity to be fulfilled.

I thank you in advance for your consideration of the issues raised in this message.

Sincerely,

Bill Royce
