

NOTICE OF PUBLIC HEARING
HDP #6876

Project Location: 400 Mooresque Drive, Pasadena, CA

Subject: The applicant, Iris Ferraz dos Santos, on behalf of the property owner, has submitted a Hillside Development Permit application to allow the construction of a 287 square-foot, second-story addition to the existing 3,821 square-foot, two-story single-family residence, with a detached 395 square-foot garage. The project would result in a 4,108 square-foot residence and 395 square-foot detached garage. The property is located within the RS-2-HD (Single-Family Residential, Hillside Overlay District) zoning district. A Hillside Development Permit is required for any addition above the first-story within the RS-2-HD zoning district.

Environmental Determination: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15301, Class 1, (Existing Facilities), and there are no features that distinguish this project from others in the exempt class; therefore, there are no unusual circumstances. Section 15301 exempts additions to existing structures, provided the addition will not result in an increase of more than 10,000 square feet when the project is in an area where all public services and facilities are available to allow for maximum development permissible in the General Plan, and the area in which the project is located is not environmentally sensitive.
