Hi Edwar Sissi,

This email is in reference to the Bridgid and Anthony Fennell property located at 1144 E. Elizabeth St., Pasadena. I understand that their request to install an arbor in the front yard is under review by the Historic Preservation Commission. As a 30 year resident of Historic Highlands, and current Co-President of the Historic Highlands Neighborhood Association, I strongly support the addition of the arbor. This will enhance both the property and the neighborhood. I also believe other landmark neighborhoods have had arbors approved.

Thank you.

Jama Meyer
