Dear Mr. Sissi,

I write in support of the Fennel / Molinaro fence and arbor project at the above address. I have known the family for many years and have always been impressed with their knowledge of and concern for historic preservation in general, and in particular their support for our Historic Highlands Landmark District. Bridgid in fact was one of the original organizers of our Landmark efforts.

I have been aware of this project from its beginning, have discussed it with the owners, and have consistently been eager to see it proceed. It is perfectly in keeping with the aesthetics of our neighborhood, the design of their home, and it will be a pleasure to walk by and through the flowered gate when it's finished.

I strongly urge City support for this project at the public hearing tomorrow.

Your truly,

Clint Palmer  
Co-President  
Historic Highlands Neighborhood Association
