Ms. Walker,

I am writing this email as a concern citizen of District 7. I am not in favor of a Car Facility being constructed approximately two blocks from my residence. Additionally, a Car Wash Facility already exist approximately 1/2 mile away, I thought we wanted people to use public transportation, walk or ride a bike instead of getting in their personal vehicles and produce more smog for a car wash. We already incur parking on residential streets close to Colorado Bl. due to poor zoning and lack of oversight of businesses having inadequate parking for their customers. Councilmen fail to address these issues, because this is not Madison Heights area!!! We do not need another car wash facility that will only bring more congestion to our community. Let's clean up the mess that already exist. Thank you for your time.

Regards,

Frank Hooks

District 7 resident
