Re: 1820 Linda Vista Avenue, 91103

To Whom It May Concern:

My husband and I are residents of Pasadena, living in an adjacent neighborhood.

We've reviewed the plans and renderings of the 1820 Linda Vista Ave project. It will fit nicely in the neighborhood and is appropriate for the area. We believe this project is good for the city. There are new developments that have beautified the area.

We believe that this project would be a good addition and encourage its approval.

Sincerely,  
Anita Red, M.D.

Re: 1820 Linda Vista Ave, 91103

To Whom It May Concern:

I am a local dentist and resident in the area and have been living here in Pasadena for my entire life.

I am in support of the project at 1820 Linda Vista Ave,

This is a beautiful project that is similar to other projects from which the neighborhood has benefited. This project will add value, and I look forward to its beautiful completion, hopefully as the plans are entirely proposed.

Please consider the approval of this project.

Sincerely,

Michael Ly, D.M.D
