I was distressed to learn that our precious Laemmle theater building has been sold and there are no committed plans by the developer to keep the theater. i would hope the Design Committee would go to bat to keep the theater before approving the developer's design. The theater is a boon to the area...to Pasadena and nearby cities. It shows high quality films and adds to the cultural offerings in Pasadena. Losing the Laemmle theater would be a tragedy for Pasadena and nearby areas.
