**NOTICE OF PUBLIC HEARING
CUP #6905**

Project Location: 2180 East Walnut Street, Pasadena, CA

Subject: The applicant has submitted a Conditional Use Permit application to establish a General Adult Day-Care Facility in the CG (Commercial General) zoning district. The day care facility would accommodate up to 150 seniors and would operate from 8:00 a.m. to 2:30 p.m., Monday through Friday. The proposed use would occupy an existing 5,318 square-foot tenant space within an 11,495 square-foot commercial building and utilize an existing 36 space surface parking lot. Only interior modifications and restriping of the parking lot are proposed in order to accommodate the new use. No new square-footage is proposed.

Environmental Determination: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15301, Class 1, Existing Facilities) and there are no features that distinguish this project from others in the exempt class and, therefore, there are no unusual circumstances. Section 15301 exempts the operation, permitting, licensing or minor alteration of existing structures where there is negligible or no expansion of use. The previous use of the tenant space within the existing commercial building was a Retail Sales land use. There is no new square footage proposed and the change in use from Retail Sales to a General Adult Day-Care Facility is considered a negligible expansion of the use within an existing commercial building.

NOTICE IS HEREBY GIVEN that the Hearing Officer will hold a public hearing to consider the application.
