I'm writing to show support for the opening of the Pasadena Wine Shop at 1055 E Green Street, Pasadena, CA 91106 — my wife and I live in Altadena and we would absolutely make the drive to shop and spend time at the Pasadena Wine Shop, and then walk around to the other shops in the area. We have been to other wine tasting locations, but to have a good one ran by good people so close to home would be great for us and also the Pasadena community!

We fully support the shop opening, and we can't wait to go there when it does.

Thank you,  
Ryan Cummings

Hi,

Wanted to send positive feedback on the possibility of a wine shop opening nearby! I live on union and Wilson and when I heard about it, I was ecstatic of having walkable location that will definitely help continue to grow the community.

If you need any other feedback I would be glad to chat further.

When I heard that the Pasadena Wine shop was planning to open at 1055 E Green Street, I was immediately excited. While Pasadena and old town have a lot to offer this unique establishment that pairs expert level wine tastings and quality product is sure to add just what the old town area needs. As a local resident I can't wait to bring my friends in for tastings followed by a night out for dinner in old town.

Looking forward to their approval.

Good morning,

I am an Altadena resident and I recently heard that there will be a hearing regarding the opening of the Pasadena Wine Shop in a couple of weeks. I am writing to express my support and enthusiasm for the opening of this establishment.

I have lived in the Pasadena/Altadena area for about nine years now and I love being able to stay local when it comes to frequenting shops, restaurants, and bars. A place like the Pasadena Wine Shop would be a great addition to the community because I don't think there is anything quite like it at the moment, and it sounds like it would be a great place to get together with friends and family. I believe it would add even more appeal to an already stellar neighborhood.

I wholeheartedly support the opening of the Pasadena Wine Shop and I hope you will too!

Thank you for your time and consideration,

Laurie Mittermiller

Dear Hearing Officer,

My name is Jonathan P. Bell. I'm a resident of Pasadena District 5.

I SUPPORT Conditional Use Permit #6938 to establish a wine shop. As proposed, this is a community-serving business that would create a walkable destination for residents. I have no concerns about alcohol over-concentration because the business model is online sales, wine for off-site consumption, and limited instructional wine tasting by appointment on-site. This would not create a nuisance operation. Any potential concerns would be mitigated by Condition Check inspections built into the CUP and inspections responding to reports, if any arise. Please approve the permit.

Thank you.

In community,  
Jonathan P. Bell

To Whom It May Concern,

I am writing to you today regarding the potential opening of Pasadena Wine Shop (#6938). My name is Chloe Dickson and I have worked in the wine and beverage industry for over 10 years. I have known Nicole Lalague (owner - Pasadena Wine Shop) for the majority of my wine career, and we have worked together in various capacities. I can vouch for her character, as well as her knowledge for the business and her passion for her craft. She is a true professional. I believe that her vision and objectives for Pasadena Wine Shop will add significant innovation, commercial and community value to the City of Pasadena. On a personal level, the opening of this business would also offer me employment. As we all know, the past few years have been extremely challenging for individuals working in the retail sector, and more opportunities for local employment will only help better this wonderful community. I think I speak for others when I say that this business would be a wonderful addition to Pasadena.

If I can offer any more insight on this matter, please do not hesitate to reach out to me directly.

Kindest Regards,

Chloe Dickson
