Michi Takeda, Edwar suggested I send you a concern re the above mentioned project .

We are homeowners in the [REDACTED].

A document from Tyler Gonzales Architects dated August 31, 2018 titled Neighbor Concerns states that:

- They will remove 4 north facing windows ***Edwar has confirmed that this change is included in the final design
- All remaining north facing windows to be frosted and limited to a 4" swing open, Edwar could not find this agreed to change in the final design.

Can you pls forward this to the Commission

Thank you
Rossana Miletta
