

**Agenda Item #6 – Commission work plan updates and discussion
(Objective #4 – Housing)**

1. We recommend a reduction in the 1 percent tax for ADUs that are accessible.

2. We recommend that the Housing department applies for grants that specifically benefit people with disabilities.

3. We recommend increasing the minimum percentage from 2% to 6 percent to provide physically accessible, sensory accessible, and adaptable units in excess of the minimum requirement for any new city-funded housing in the / Any new city-funded multi-family housing to provide a percentage of physically accessible, sensory accessible, and adaptable units in excess of the minimum currently required.

4. We recommend that housing funded with “In lieu of fees” be available to all people with disabilities to include amenities, location, safety, maintenance of PROW (Public Rights of Way Maintenance), etc.
