my coworkers and I have had meetings for happy hour food & drinks & enjoy the fresh outside patio space. Why would the city want such a nice patio closed?

My sister and I love going to Der Wolf. We absolutely love the patio. One of the many reasons why we love going to Der Wolf. Please do not shut down the patio, it is a place for relaxation for many people.

Thank you,
Teresa Monge

Dear Mrs Walker ,

I am a consistent client of the restaurant establishment in Pasadena DerWolf.

We have had nothing but great experiences there since the establishment has been opened and even through these tough times that we all have left through in the last two years the restaurant has been accommodating and has provided an amazing experience to meet my family and my friends. I am a bit disappointed to hear that you are call Lina Herring to modify the hours of operation when Pasadena is a place to enjoy great family and nightlife with friends and not have to be restricted to the changes you are requesting.

I am against the changes and I hope that things will remain the same so we can keep enjoying great moments at DerWolf in Pasadena.

Gus. A. Rodríguez

I would like to express my thoughts, personal feelings, and positive experiences at Derwolf in Pasadena...

I am a resident of Los Angeles and have been regularly traveling to Pasadena specially to dine and appreciate the outdoor environment and experience created at Derwolf. I've enjoyed countless positive family dinners, and love the DJ on the patio. It's a perfect place for adults to grab a cocktail with with family and I've appreciated the security and customer service provided.

I really hope my family and I can continue to enjoy our time out on the patio at Derwolf since it's honestly the only reason I find myself leaving my city and traveling 15 mins into Pasadena.

Thank you for time.
