To whom this may concern,

I would like you to know that the employees and owner of Der Wolf are so welcoming and have awesome customer service.

The menu is so good lots of options. The carne asada fries are my favorite.

The food is well priced and great portions.

I love the patio area.. I drive up from Anaheim Hills and bring my friends to Der Wolf.

I have heard talk that the city wants to close the patio. I was there Super Bowl Sunday and I had an amazing time they have a fantastic atmosphere.

I love that they have a DJ Friday and Saturday nights that is a great way to unwind from a stressful work week.

Regards,

Carolyn Stephens

To the city of Pasadena,  
Regarding Der Wolf Restaurant.  
My wife recently held my birthday party at  
Der Wolf.  
The restaurant was so clean and the employees are so incredibly attentive.  
I had a few family members who only speak Spanish and they were able to communicate with  
the staff without me having to go translate for me that was a big plus.  
All of the food my wife ordered was delicious and arrived to our party area hot and cooked to  
perfection.  
There happened to be a live band playing and that was an added bonus to my party vibe.  
I heard that the city wants to get rid of the patio that would be a huge error on the city's part.  
Since my birth party we have come back to the patio and it was beautiful and so relaxing.. a  
great spot to get some air and amazing food.  
Der Wolf wouldn't be the same without the patio area.  
Sincerely,  
Rick Paz

## To whom it may concern

STOP messing with small business owners. They are the lifeblood of this economy. The statewide draconian measures that have been placed on law-abiding citizens for too long in the name of COVID are coming to an end. Citizens & Business owners alike will not ever stand for your intrusion on our rights.

Der wolf has every right to do business without the overreach of bored government officials.

Californians live outside as a part of our lifestyle. The audacity for you to shut down a patio & limit serving hours when this directly inhibits small business owners from making a profit is unfathomable. It is preposterous and it goes against our values: to live and trade freely how we choose as long as remaining in accordance with the law. (LAW: Not political mandates) Focus your energy on boosting small business owners because you need them.

Best,  
Kelly F.

To Alison Walker and whom it may concern,

I am writing this email in regards to the proposed modifications for the patio at DerWolf in Pasadena. I have been a regular at DerWolf and their Patio since the Patio opened in 2020 and the proposed modifications are absolutely shocking and unacceptable!

I work late in retail and don't get a chance to get to hang out with my friends or family much. However, when I do, I'm at DerWolf and usually not until after 10:30PM on weekdays and close to Midnight on weekends.

Since the pandemic, I've come to enjoy hanging out and sitting outside, day or night, for food & sometimes drinks! Having the Patio shut down or even adjusting the hours, especially before the upcoming Spring and Summer season is not a logical decision and is a punishment for all those who go to DerWolf in Old Town Pasadena.

Through the pandemic, owner Crystal Aceves and team worked very hard to have the Patio cleaned up and set up in a way to follow the COVID-19 guidelines and still allow them to serve & accommodate all their patrons.

I am asking that you please leave DerWolfs Patio and Patio hours as is.

Thank you,  
Manny N.

So I just want to send a quick email in regards to the changes being made. I come to this local bar to enjoy a late evening dinner and also come for brunch in the patio area for the Mexican candy drinks and delicious plates served. I don't like other options in Pasadena besides Derwolf so if there is anything we can do to keep things the way they are pls Let me know.
