Hello Alison

I am a patron of Der Wolf in Pasadena.
I would like to comment on how I would like to see the CUP handled.

First of all the expansion of the Al Fresco Dining scene has brought a great charm to the city of Pasadena and specifically to Der Wolf.

With the great weather we have here the ability to be outside to experience their live sporting events or just the general atmosphere is part of the reason I love going there.

It's also a late night stop by spot for my wife and I after a movie. We are in the Foodservice industry and having a great spot like Der wolf open late is a treat. The atmosphere is always welcoming and fun. Have spots open later allows us to continue to explore these parts of Pasadena.

Please allow them to keep the patio and the late night service that we find so appealing?

Thank you for your time

Thank You,

Austin Corbet
