Dear Sir/Madam

I want to know if there is going underground parking put in..., which I would not want in the back of the hotel. Also when this is all being demo where are the trucks driving in and out of... I hope it is not the back gate. Also how is the food vendor cooking at the new pool area The ventilation would be very strong in the neighborhood and especially to the homes in the back of the hotel. Why are they adding all of this anyway?

Thanks

Peggy Collins
