Dear Commission Members,

The unsettling D A's report on the McLain killing by PPD Officer Dumaguindin is an important test of the Commission's role as a voice of the Pasadena community in oversight of the Police Department.

It will be critical for you, and for all of us who are concerned for justice, to read the D A's report carefully and thoroughly. He has set out clearly for our understanding the many considerations in coming to his conclusion, and the laws within which he must operate.

Equally important is the support by the Oversight Commission for the recommendation of the Council's Ad Hoc Committee in selecting the Independent Police Auditor for the Commission . The Council must show support for the Oversight Commission.

Thank you for your thoughtful work in behalf of Pasadena residents.

Sincerely,

Kris Ockershauser
