Greetings Mr Takeda,

I am a resident of District 6. I own a home on Glenarm Ave just South of the Morning Star Senior Living Facility. I would like to offer my full throated support for their expansion, because we have a housing shortage in this city, and we should not accept the status quo where seniors are forced out of the city they have grown up in. All housing is an urgent need, especially family and senior housing. We should not let neighborhood busybodies try to entomb our city in amber and arrest the natural development of the city via densification.

I support the expansion of Morning Star Senior Living and urge the council to approve this development.

Thanks,  
Prasan Samtani
