I am writing to voice my concern regarding the building permit to build an 87 unit rental property at 350 Cordova. There are many beautiful trees they plan to remove. Several it is my understanding are protected and the are asking the city for permission to remove. I feel these types projects ruin the integrity of what makes Pasadena so beautiful. We certainly don't have a shortage of rentals in this neighborhood. I hope this request is rejected by the city. Thanks and regards, Glen Mott Pasadena resident
