Hello Pasadena City Staff:

I submit this public comment in **SUPPORT** of the Landmark Designation for 73 N. Catalina Ave, Item #3, Historic Preservation Commission, June 7th.

Pasadena abounds with historic resources. We must protect our historic buildings and built environment heritage lest they be threatened by place erasure from hyper-development interests eyeing our community.

The staff report convincingly makes the case for landmarking this historic property. Let's get it done.

On a personal note, I live two blocks away in District 5 and get to walk by this historic site daily. I can affirm that, like many of our historic properties in D5, this site makes our community special. It must be protected for future generations.

*****Please confirm that my public comment has been received and added to the public record for this hearing.**

Thank you,
Jonathan Pacheco Bell, MAUP, MLIS
