To Whom It May Concern,

I appreciate the opportunity to offer public comment on the proposed remodel of 1507 Oakdale; this home is just a few houses east of where we live on Oakdale. Given the elevation renderings submitted, I do not see how this proposed remodel is not in conflict with our historic district designation. Our neighborhood worked long and hard to establish the historic designation of our Rose Villa/Oakdale community, and it seems to me that a remodel of this character, entirely visible from the streetscape, is at odds with precisely our vision of historic preservation. This is a beautiful, elegant home from the 1920s (as is ours), and I am unable to see how a remodel of this character is in keeping with the vision we all had in regards to the preservation of our neighborhood.
