**NOTICE OF PUBLIC HEARING
MV #11953**

Project Location: 3810 Ranch Top Road, Pasadena, CA

Subject: The applicant, Toros Balyan, has submitted a Minor Variance application to allow for a 23'-10" front setback, where a 25-foot minimum setback is required, in order to accommodate the construction of a 102 square-foot, single-story addition to an existing single-story single-family residence. A Minor Variance is required to adjust the front setback requirement. The property is zoned RS-6-HD-1 (Single-Family Residential, 0-6 dwelling units per acre, Upper Hastings Ranch Area Overlay).

Environmental Determination: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15301, Class 1, Existing Facilities) and there are no features that distinguish this project from others in the exempt class and, therefore, there are no unusual circumstances. Section 15301 exempts additions to existing structures, provided the addition will not result in an increase of more than 50 percent of the floor area of the structure before the addition, or 2,500 square feet, whichever is less. The proposed addition of 102 square feet to an existing 2,014 square-foot dwelling is therefore exempt from environmental review.

NOTICE IS HEREBY GIVEN that the **Hearing Officer may hold a public hearing** to consider the application if a request for one is made on the proposed application subject to the conditions indicated in the Public Information paragraph below.
