Thank you!

Can you send the developer and hearing officer our comments?

"Overall, we like the design of the proposed project but would like to voice our concerns over the top level rooftop deck which may potentially look directly into our living room area. We ask that the developer consider taking measures in preserving our privacy "

Hi William,

The roof deck will be approximately 650 square feet.

Based on their tree inventory, it appears that the tree you referenced will remain.

Thank you,
