**NOTICE OF PUBLIC HEARING
CUP #7005**

Project Location: 2670 E. Colorado Boulevard, Pasadena, CA

Subject: The applicant, Michael Santillan, has submitted a Conditional Use Permit application to establish a Charitable Institution (Huntington Collection). The property is located within the ECSP-CG-5-AD-2 (East Colorado Specific Plan, Commercial General, Lamanda Park Subdistrict, Alcohol Density Overlay) zoning district. The facility would operate as a retail store with regularly staffed drop-offs of clothing, household goods, and related items during store hours. Retail uses including the sale of secondhand goods in the ECSP-CG-5-AD-2 zoning district are permitted by right; the Conditional Use Permit is only required for the Charitable Institutions use, which includes regularly staffed drop-off facilities for clothing and household goods, in this zoning district. The proposed use would occupy an existing 7,500 square-foot tenant space on a 103,045 square-foot lot. The proposed hours of operation are Monday through Friday from 10:00 a.m. to 3:00 p.m. Only interior modifications are proposed in order to accommodate the new use. No new square-footage is proposed.

Environmental Determination: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15301, Class 1, Existing Facilities) and there are no features that distinguish this project from others in the exempt class and, therefore, there are no unusual circumstances. Section 15301 exempts the operation, permitting, licensing or minor alteration of existing structures where there is negligible or no expansion of use. The previous use of the tenant space within the existing commercial building was a Banks, Financial Institutions Land Use. There is no new square footage proposed and the change in use from Banks, Financial Institutions use to Charitable Institution use is considered a negligible expansion of the use within an existing commercial building.

NOTICE IS HEREBY GIVEN that the Hearing Officer will hold a public hearing to consider the application.
