**NOTICE OF PUBLIC HEARING
MCUP #7020**

Subject: The applicant, Carlos Jasso of Blueprints Design Services, has submitted a Minor Conditional Use Permit application to allow the enlargement of a nonconforming use, where a nonconforming use may not be altered or enlarged, unless a Minor Conditional Use Permit is first obtained. The project includes additions, totaling 972 square feet, to three existing dwelling units. The subject site is located within the RM-12 (Multi-family residential - two units per lot) zoning district, and is developed with three residential dwelling units, where the Zoning Code allows for two dwelling units.

Section 15301 exempts additions to existing structures, provided the addition will not result in an increase of more than 10,000 square feet, if the project is in an area where all public services and facilities are available to allow for maximum development permissible in the General Plan, and the area in which the project is located is not environmentally sensitive.
