Thank you for your return call. You do go above and beyond your duty. I can't access my original objection to the parcel subdivide so will quickly state my concerns. This action could be the first step in adding commercial use on this section of Sierra Madre Boulevard that has been residential and institutional uses. Such use would specifically negatively impact neighbors on side and above parcel. It also changes character of last 2 blocks of Sierra Madre that are located within city of Pasadena. Respectfully submitted, Diane Kirby [REDACTED]
