To Jennifer Driver,

Hello, our names are Joshua Greenberg and Rachel Baden and we are homeowners at 534 Lakeview Rd. We are writing in support of Application HDP#6992 for a permit for 580 Laguna Road, Pasadena, CA 91105. Our read of the property documents indicates that since the house was built in 1952, there has not been any major expansion. At around 1500 square feet, 580 Laguna is one of the smaller houses on the block and this project will act to better align it with the others in the neighborhood. The proposed work makes complete sense as a reasonable addition to the house and will not in any way negatively impact our neighborhood. This project has our full support. Thank you for your time and please let us know if we can answer any other questions.

Sincerely,  
Joshua Greenberg and Rachel Baden
