Dear Ms. Driver,

We have received notice of the proposed second story addition at 580 Laguna Road, HDP #6992, and would like to lend our support for the project.

The house in its existing configuration is one of the smallest homes in the neighborhood and has not been updated in at least 60 years.

We live next door to the subject property, and we find the proposed addition to be very reasonable and preferable to new construction on the property.

We believe improving the house in this way benefits the entire neighborhood.

Regards,

Raquel and David Donchey
