Hello Jennifer,

I just looked at this nice note Mary Davis (575 Laguna) sent on our behalf, and I realize she typed 580 La Loma at one point. I hope you caught that error. Thank you!

Monica

Dear Ms. Driver,

Re: HDP #6992

We are writing in support of the house addition project at 580 La Loma Rd. We have lived across the street from 580 Laguna Road for 30 years and have a clear line of sight of the story poles from our front yard indicating the size and scope of the proposed addition. The existing house is small as compared to other homes in the neighborhood and we believe has had no significant additions or changes since it was built.

We feel the proposed addition is modest and an excellent way to improve the property while preserving the charm of the existing house and the neighborhood overall and keeping the building footprint to a minimum.

We are fully supportive of this project.

Mark and Mary Davis
