Good evening Mrs Walker,

This email is in regards to Der Wolf's hearing. I have been a loyal customer since they opened up during the pandemic. Der Wolf is not only a bar/restaurant to me, it is a place I feel extremely welcomed by owners, staff and other customers. The owner and her family and all the staff there I consider them family. I have taken many friends to Der Wolf and not one of them has said anything bad about it. During the pandemic Der Wolf was the place to be at. Everyone loved the open space seating on the patio, during sports season everyone always had a great time there.

I find it really unfair how other bars/restaurants in Old Town are able to close till 1:30am but Der Wolf doesn't have that same opportunity. I feel Der Wolf deserves the same opportunity as everyone else for example, Craft/ Rocco's.

Crystal, her family and all the staff are great people and I would be so happy to see how much more they can grow their business if the patio is able to reopen again.

Thank you for your time

Janet Yepez

Dear Allison Walker,

I am writing you to let you know I've been visiting this location since the McMurphy days. After the Aceves family took over I became a more frequent patron of Derwolf. They are welcoming and friendly just like the clientele they serve. As a person that was in the music industry for 20 years I love how diverse the people that attend Derwolf are but the eclectic music brings everyone together. I'm also a big sports fan! The outside patio is amazing during the summer with a great breeze and shade that makes watching sports outside amazing! It's one of my favorite places. I can go to any establishment but I choose Derwolf because I always feel safe and welcome. Please take into consideration the small expansion and time for the patio .

Thank you for you time,
Ricky Llamas

Dear Hearing Officer,

I am writing to recommend and praise NFL Sundays & Sunday Brunch at Der Wolf Restaurant & Bar in Pasadena. I live in Glendale and have been a regular, admittedly weekly, customer of Der Wolf for well over a year, almost two years now. And the thing that keeps me coming back is the community they bring together inside; the food, drinks and staff are just a bonus. Sunday brunch during football season has become a weekly staple for me and a couple friends of mine. They have a tasty food selection, a great drink selection and the environment has an increasingly homey feel to it with the amount of people from all ages and backgrounds that attend, most of us becoming regulars and quickly acquainted because of the amount of time spent together rooting against or with one another for our favorite teams. Let's not forget the selection of games they provide to bring strangers together for some healthy competition, I can't imagine spending my NFL Sundays anywhere else. Der Wolf fits perfectly in this community and has created a fun, family feel in the midst of a busy, Downtown Pasadena.

If you have any questions, please feel free to contact me.

Best,
Chelsea Hite
