Allison Walker:

My name is Skip Hickambottom. My law office is located at the corner of Holly and Fair Oaks. I have been a neighbor of DerWolf Restaurant & Lounge for several years. I am sending this letter in support of DerWolf's request to extend its hours for patio dining to midnight and expand its area for dining to 800 square feet.

One of the best things about my office is its proximity to the Restaurant District in Old Town. I strongly believe the City needs to do what it can at this critical moment to support those restaurants who managed to navigate and survive the challenges of continuing operations during the pandemic. DerWolf has been a good neighbor and has provided the neighborhood with a great location to drink, dine and socialize. The patio has gone above and beyond by also hosting community events which have allowed us to conveniently meet with our elected officials and City Staff, including our new City Manager..

I urge you to approve Der Wolf's request to extend it hours and expand its area for patio dining.

Dear Hearing Officer,

As a frequent customer of Derwolf I enjoy watching a fair share of sports games there. I also enjoy the great atmosphere it provides. To be more specific, my friends and I like the outside patio that Derwolf has, especially when we were watching the NFL Playoffs. We caught a majority of the playoff games there and it was great! I love going to places where people can go with their entire family to enjoy Sunday football. Whether they were 10 years old or 70 years old, we were all able to get together and have a good time watching some great games. The family welcoming environment they provided was second to none. I had the opportunity to meet the owner, who was really nice. I asked if every Sunday during the season was like the Sundays that I had attended and they informed me that they can only show the playoffs on the Patio because regular season games aren't allowed to be shown out there. It would be great to enjoy that feeling all season long. It's great to go somewhere where people of all ages and backgrounds can get together and have a great time watching a great game! I can't wait for the next season to start! I hope that when it does you would have given Derwolf permission to show the regular season games as well. I would love to be able to watch all the games there. I hope you could take this in consideration for the Derwolf. I thank you in advance for your time and hope you have a great day!
