Hello,

I briefly wanted to say that I love the Der Wolf family. The restaurant has always had a cozy atmosphere. I read the agenda for the meeting today and I hope that you are in favor of the changes that they are requesting. Especially their use of the patio area. I rather enjoy eating out there and have enjoyed watching some sporting events outside. I've noticed this family works very hard in keeping their business going and I can hope that you notice this as well and decide in their favor.

Enjoy your day! :-)

My name is Jamila Anderson. My wife and kids come to Der Wolf at least once a week for dinner. It's always been nothing but a great time! We enjoy seeing a family owned and operated business in a city like Pasadena. We love coming to Pasadena and we love Der Wolf. Myself and my family are in support of the family and their business. On behalf of my family I ask that you allow them necessary provisions to be able to grow in this community.

Blessings

Hi,

My name is Richard Hall. I moved to Pasadena about a year ago from Austin, TX and I currently live at the Amli apartment complex. Der Wolf was one of the first restaurants that I visited when I moved into the area given the close proximity. Upon my initial visit I instantly knew that it would be my favorite place in Old Town. I had the pleasure of meeting the family of the owner upon my first visit. They were so nice to me and that resonated with me, especially because I was in a place where I didn't know anyone yet and I missed my family. As a result, I found myself being there almost everyday. The feeling I got there reminded me so much of home that it ended up helping me dealing with my homesickness. To say the least I was only more excited that they were one of the few places in the area that showed all of the NFL games and had an outdoor area for seating as well. This place has been a huge part in making Pasadena feel like a second home to me. I love everything about it. I wish for nothing but success for this lovely family and their business and ask that you support them and allow them to use the outdoor patio area more and especially for Sunday Football. Thank You.

Dear Hearing Officer,

I am writing to you in support of Der Wolf restaurant and their ability to use the outdoor patio area more than what they are currently allowed to by the City of Pasadena. I have had the pleasure of being able to enjoy their patio area in the past and would like to ask you to consider that they be allowed to show football games outside all season long. My wife and I are big football fans and being able to watch the games in an outdoor environment always makes us feel like we are actually there at the game. Please consider giving them the ability to be able to offer the regular season NFL games as well. It would be great to be able to watch these games in addition to watching the playoff games as well.

Kind Regards,  
Jackson Lewis

Hello,

I noticed the posted sign for this hearing and wanted to provide you with some input regarding Der Wolf for your hearing today. I have been living in the Pasadena area for almost 6 years and I have been to almost every bar and restaurant in the area, both pre and post Covid-19. In that time, this particular restaurant has been one of my most favorite to frequent. I go there largely because of the family feeling that I get when I'm there. As time has passed I have come to know that although this is a large establishment, it is a small family owned business. Being a small business owner myself, this only encouraged me more to be a patron. After meeting the family that owns this business, I would like to encourage you to consider what it means to promote small business in a community like this. I have seen large corporations come and go, even in the Old Town area and they are not the cornerstone of this community or any other for that matter. These corporations don't care about loyalty to a community while the small businesses do and as such provide the life blood for the community. With that being said I strongly support this establishment and family friendly environment that they have been able to provide. I urge you to consider allowing them to further build that environment for the community by giving them added usage of their patio area.

Sincerely,  
Rebecca Stanton

Good day,

I hope that this email finds you well. I have been a patron of Der Wolf for the past couple of years. As an avid outdoor diner, it's always been a place that I have frequented. My most enjoyable times have been when I have been there to watch sporting events. Since I have been given the opportunity to have this forum with you, I would like to say that I have always had a great time there when I visit. Some of my most memorable visits have been when I have inadvertently shown up on Sundays to watch football games. Although I wasn't permitted to sit outside to watch some of the regular season games that I wanted to see, I was delighted to be able to watch the postseason games outside. I think that it was awesome for the community to have a place where they can go that allows for them to bring their families and bond over a great game and some great food! Please consider allowing this wonderful place to be able to provide that for people all season long.

Thanks

Hi,

I have always enjoyed watching football at Der Wolf. I generally catch the Monday Night Football games there due to my work schedule. I have had the pleasure of catching some of last season's playoff games there as well. It's quite different from watching the game on Monday. I had a lot of fun watching the Wild Card round there. I wasn't able to get my customary seat at the bar like I normally do, so I had to grab a table on the outdoor patio. I had never been out there before but it was a wonderful experience. I happened to be by myself but the restaurant and a family that was sitting at a large table was kind enough to let me sit with them (even though I wasn't a 49er fan lol). I had a great time and met some great people. It's a shame that they are not allowed to show the regular season games outside as well but hopefully you will consider letting them do so, because it really was a great time!!!

-Justin Galacky

Hello,

My name is Sarah Thompson and I am writing this email to you in regard to the upcoming hearing for Der Wolf restaurant. I wanted to say that I frequent the Old Town Pasadena area and Der Wolf is one of my favorite places to visit. I have had some of my most memorable times during last year's NFL playoffs when me and my family went to watch the games there. My husband and children are Seattle Seahawks fans and it was very hard to even find a place that was playing the game let alone be kid friendly. We got to enjoy their outdoor patio area and had a wonderful time watching the game! It was a very comforting feeling. We look forward to coming back next season to catch more of the regular season games. Especially if they will be showing them in their outdoor area. Thank you.

Greetings,

This email is being written to you in support of allowing Der Wolf restaurant to be able to use their outdoor patio area to show regular season NFL games. It's a great spot, I love taking my son there to watch sporting events. He's a big football fan and truly had a great time going there and sitting outside to see the playoff games, especially because they offer outdoor dining, which he loves! He made more friends than I did! I really like this place and hope that I can bring him back next season to sit outside and watch more than just the playoff games. My son loves baseball too. It would be nice to watch the weekend Dodger games outside as well. I hope that this is something you will allow. Thank you.
