Hello,

My name is November and I am writing in support of Der Wolf restaurant. I really like this place and love seeing a small family-owned business thrive in the community. I've noticed all of the things that they do for the community from their Instagram account. It's one of the main reasons that I started being a patron of the restaurant. I've always enjoyed myself there and that is largely in part of the sense of family that they provide when you walk in the door. I wish there were more places like this these days. I am not sure if this helps but I hope that it does because I feel like this family and this restaurant deserves it.

Have a great day!
