

NOTICE OF PUBLIC HEARING
TTM#83656

Project Location: 439 North Holliston Avenue, Pasadena, CA

Subject: The applicant, EGL Associates, has submitted a Tentative Tract Map application to allow the creation of nine residential air parcels on one 11,296 square-foot land lot for condominium purposes. The nine-unit residential project received Consolidated Design Review approval on August 25, 2022. This application only concerns the creation of air parcels that will allow the sale of each dwelling unit. This application does not address the design or construction of the nine-unit project and does not include any changes to the previous Design Review approval.

Environmental Determination: In conjunction with the Consolidated Design Review approval on August 25, 2022 it was determined that the project is Categorically Exempt from CEQA (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §Section 15332, Class 32, In-Fill Development Projects), and there are no features that distinguish this project from others in the exempt class; therefore, there are no unusual circumstances. It has further been determined that there are no changed circumstances or new information as part of the proposed Tentative Tract Map application that necessitate further environmental review.

NOTICE IS HEREBY GIVEN that the Hearing Officer will hold a public hearing to consider the application.
