

NOTICE OF PUBLIC HEARING
TTM#84064

Project Location: 1645 and 1647 North Lake Avenue, Pasadena, CA

Subject: The applicant, Eric Tsang, has submitted a Tentative Tract Map application to allow the creation of six residential air parcels on one 20,388 square-foot land lot for condominium purposes. The six-unit residential project received a Concept Design Review approval on June 8, 2023. This application only concerns the creation of air parcels that will allow the sale of each dwelling unit. This application does not address the design or construction of the six-unit project and does not include any changes to the previous Design Review approval.

Environmental Determination: In conjunction with the Concept Design Review approval on June 8, 2023 it was determined that the project is Categorically Exempt from CEQA (Public Resources Code §21080(b)(9); Administrative Code, Title 14, §15303(b), Class 3, New Construction or Conversion of Small Structures in that the project involves the construction of new, small structures of no more than six dwelling units in an urbanized area; therefore, there are no unusual circumstances. It has further been determined that there are no changed circumstances or new information as part of the proposed Tentative Tract Map application that necessitate further environmental review.

NOTICE IS HEREBY GIVEN that the Hearing Officer will hold a public hearing to consider the application.
